On Tuesday evening, Cristina Cuomo gathered 60 of her friends to celebrate “The Knockoff”, the latest book by Lucy Sykes, former fashion director of Marie Claire.

Guests gathered at a model unit at 12 East 88th Street – a Rosario Candela-designed building currently undergoing a luxury conversion – and listened as Sykes shared details about her novel, a description of fashion in the digital age.

Sykes' husband Euan Rellie attended, along with Hal Rubenstein, Yaz Hernandez, and Jared Seligman.

Also in attendance were Diana Feldman, Webb Egerton, Laura Nickolas, Bona Yang, and Gretchen Mathews.
