

## Lucy Sykes celebrates latest book 'The Knockoff' with Cristina Cuomo, Hal Rubenstein

🕒 22. NOV, 2016

**Cristina Cuomo** gathered 60 of her friends last week to fete *The Knockoff*, the latest book by **Lucy Sykes**—bestselling author of *Bergdorf Blondes* and former fashion director of Marie Claire.

In the stunning model unit at 12 East 88th Street, an iconic Rosario Candela condo conversion developed by Simon Baron Development, Lucy shared details about the novel that tells the story of fashion in the digital age, discussed her upcoming book about fitness junkies and shared her

predictions for the January 2017 runways: pantsuits in response to the current political climate.

Guests including Lucy's husband **Euan Rellie**, **Hal Rubenstein** and **Yaz Hernandez** toured the lavish model residence designed by world-renowned architectural firm Champalimaud Design.
