Last week, some 70 brokers gathered to celebrate the launch of the new residences at 12 East 88th Street with the king of real estate gossip, Michael Gross.

At the event, Michael – who is known for his books on upper crust dwellings like 15 Central Park West and 740 Park Avenue – signed copies of his new book “FOCUS: The Secret, Sexy, Sometimes Sordid World of Fashion Photographers.”

During the evening, Gross shared details about the photographers who are featured in the book, and also provided insight into 12 East 88th Street’s storied history and redesign.
